

EcoCamp 2018 Registration Information YOUR COPY

Registration Policies

- 1) Full payment and completed forms are due two weeks prior to your child's camp week. Camp spots will be reserved only after a completed registration packet (all 4 pages, not just first page) with a non-refundable deposit is received by mail or dropped-off at the office (emailed packets can not be accepted). Reservations cannot be made over the phone. Payment must be cash or check, **no credit**.
- 2) We will send an email to confirm registration. Please make copies of the registration forms for your records. If we cannot fit your child into the requested week, we will contact you. Spots are reserved on a first come, first served basis and many weeks fill up quickly.
- 3) The registration deposit is non-refundable. If attendance is cancelled, the remaining camp payment may be refunded or applied to another week of camp provided the Camp Director is notified two weeks before the start of the canceled week.
- 4) The registration packet must be filled out completely or your child will not be allowed to attend camp. This is for the health and safety of your child.
- 5) Any special requests must be submitted with registration materials. We will do our best to honor requests, however age groups cannot be mixed. We cannot make adjustments to camp groups at drop-off time.

Financial Assistance

Pickering Creek has a scholarship program that covers a portion of camp tuition for *children in need*. If you are granted a scholarship, a deposit is required to reserve your camp spot. If you would like to apply for a scholarship, please call to check availability and visit our website (pickeringcreek.audubon.org) to download an application.

Arrival and Departure

Pickering Creek EcoCamp starts promptly at 9 am and ends at 4 pm each weekday (Guardians are given the option to end a Fledgling camp at 2 pm or 4 pm). *Staff is not available for campers to be dropped-off earlier than 15 minutes before the start of camp.* The campers should be dropped-off and picked-up at the front of the property at the Welcome Center. Campers must be signed in and out at the beginning and end of each day. Please adhere to the 15 mph speed limit when driving within Pickering Creek and stay on the gravel, the ditches can be unforgiving. Your child will not be leaving the premises at any time. They will only be able to leave with the adults listed on the registration paperwork under "Camper Pick-Up Information". If a new carpooling arrangement develops, a note, email, or call to the Camp Director needs to be provided beforehand.

Transportation

We offer limited transportation from Easton to Pickering Creek Audubon Center during three weeks of camp. Spaces in our van are first come, first serve. Please register early to reserve your child's space. Available weeks are listed on the first page of the registration packet and can be found on our website (pickeringcreek.audubon.org).

Camper Equipment List

Please dress campers for outside activity. Clothing should be able to get dirty and keep your child warm/cool and dry. Please do not bring anything to camp that you are afraid of losing, especially electronics – Pickering Creek is not responsible for items lost during camp. It's recommended that you write your child's name on their extra clothing, lunch bag, water bottle, etc. One week before the start of camp, a parent letter will be emailed that lists the week's activities and any special equipment (ex. swimsuit) that may be needed during that upcoming week of camp.

The following items should be brought to camp each day:

- ☆ Refillable water bottle
- ☞ Hat
- Sunscreen & insect repellent (lotion preferred)
- ☉ Lunch – we have a Pack-in/Pack-out policy, we collect compostable and recyclable items but ask the campers to throw their lunch trash out at home
- ☂ Raingear (poncho, rain jacket)
- ☆ Good shoes for hiking and running
- ☆ Swimsuit, towel, and water shoes for Water Days (days listed in parent letter)

Important Notice Regarding Insect Stings

Any child or adult attending Pickering Creek Audubon Center or its educational programs who has a known allergy to insect stings should have their own emergency insect bite medications including Benadryl and an Epi-Pen. For their own protection, they must be able to administer its contents to themselves, and must provide a written statement from their physician stating that they are personally able to use the Epi-Pen for themselves without assistance. Pickering Creek Audubon Center and the National Audubon Society cannot accept any responsibility for administering medications or for the effects of using them. Please speak with the Camp Director if you have any questions.
