Invitation to Bidders

Pickering Creek Audubon Center in Talbot County Maryland is seeking professional services to construct a viewing platform in one of its meadows.

Project details and guidelines can be obtained at www.pickeringcreek.org or by emailing mark.scallion@audubon.org

A site visit will take place on March 28, 2020 at 9am at Pickering Creek Audubon Center, 11450 Audubon Lane, Easton, MD. Sealed proposals accepted until April 20, 2020 at 5pm at Pickering Creek Audubon Center, 11450 Audubon Lane, Easton, MD 21601. Envelopes should be marked “Bid: Viewing Platform” in the lower left corner. Pickering Creek Audubon Center representatives reserve the right to accept or reject any and all bids or parts of bids when judged to be in the interest of the organization.

Amendment

The scheduled March 28th on site visit has been cancelled. A site map defining the location of the build is below. The site is currently open from dawn to dusk daily. To walk to the build site: Drive down Pickering Creek Audubon Center’s driveway. At the end of the straightaway turn left and park by the dumpster. Walk past the dumpster to the farthest tree line with tall trees. You’ll step over a few white ropes to do so. At the tree line turn right, following the tree line to an open meadow. Build site is marked by a traffic cone.

Material will likely need to be landed near the dumpster. A large concrete truck will not be able to make it back to the build site.

A phone call to answer questions will be Held on March 31st at 3pm at (646) 876 9923, Meeting ID: 312 119 271
