What is Your Dream Bird?

In the space below, describe your “dream bird.” Don’t just describe a bird you already know. Use your imagination and be creative! As you’re thinking of your bird, consider these questions:

Does your bird have a short or long beak?

Is the beak straight or curved?

Does your bird have long or short legs?

What color is your bird?

Does your bird have multiple colors?

Does your bird have any special patterns (stripes or dots)?
